## ACCOMODATIONS AND MEALS

Please provide lodging and meals for Chris throughout the duration of his stay. It's best if the event host checks Chris into the hotel ahead of time and hands off the keys to him upon his arrival.

## MERCHANDISE

Please provide a table and at least one volunteer to sell merchandise during the event. The event host agrees to let Chris sell merchandise royalty free. The event host can also order merchandise on consignment to sell and make a profit. (*If you choose to go this route, please inform Chris prior to the event.*) The CD's "Golden" and "Impact" can be ordered from OCP (800-LITURGY) and the book "Not Ready for Marriage, Not Ready for Sex" can be ordered from Franciscan Media at 800.488.0488.

## SOUND AND LIGHTS

Please provide adequate sound in relation to the amount of people and size of the room you have for the event. In places where amplification is required, Chris will need a hand held microphone and a ¼ inch cable and input to plug his guitar into. It is necessary that the area where Chris will be speaking or performing is sufficiently lit and it is preferable that the group he is ministering to can be dimly lit (or dark). If you have any questions, please let us know.

## SOUNDCHECK

Under normal circumstances, Chris will need a fifteen (15) minute soundcheck with the audio engineer before the performance. It's helpful to have the room cleared of participants at this time.
